

You have 3 areas to work with: the OUTSIDE CASE BOARDS, the RAISED WALLS, and the INSIDE FLOOR.

They can all be the same color, or you can combine different colors.

The outside caseboards can be EITHER cover canvas, or cover paper.

The raised walls and inside floors can only be cover paper (not canvas).

Text and/or image can be inlaid on the covers or spines, no extra charge.

We gladly make cover mock ups we can send via etsy or email.
